Derived from: Magnesium Sulfate, Magnesium Lignin Sulfate Chelate, Manganese Sulfate, Manganese Lignin Sulfate Chelate, Copper Sulfate, Copper Lignin Sulfate Chelate, Zinc Sulfate, Zinc Lignin Sulfate Chelate, Ferrous Sulfate, Ferrous Lignin Sulfate Chelate. Chelating agent is Lignin Sulfate.

CAUTION: KEEP OUT OF REACH OF CHILDREN.

Avoid contact with skin and eyes.

Avoid breathing spray mist. Do not take internally.

This product WILL SEVERELY STAIN concrete, masonry and painted surfaces. Be extremely careful not to allow spray or runoff to contact with these materials. Do not mix with other fertilizers, fungicides or insecticides unless compatibility is known.

For questions concerning this product, please email us at info@southernag.com or consult our website at www.southernag.com.

DIRECTIONS FOR USE FLOWERS, ROSES, SHRUBS, TREES and VEGETABLES

FOLIAGE APPLICATION: Mix 1 tablespoonful per gallon of water. Apply to give thorough coverage of upper and lower surfaces of foliage. Spray an amount sufficient to cause runoff of spray.

SOIL APPLICATION: Mix 2 tablespoonfuls per gallon of water and apply over 100 sq. ft. For flower beds and vegetable gardens, treat the bed area. For shrubs and trees, treat the root area. This area usually extends out as far as the foliage.

LAWNS: Use 8 - 16 fl. oz. per 1,000 sq. ft. (2-3 tablespoonful per 100 sq. ft.) Apply in a sufficient volume of water to thoroughly wet the foliage and runoff in the root zone. Hose attached sprayers provide a convenient method to treat lawns.

NOTE: Deficiency symptoms in many plants are an indication of improper pH. Soil pH should be checked and adjusted if necessary.

FIRST AID

IF SWALLOWED: Drink 2 glasses of water or milk and seek medical attention. **EYE OR SKIN CONTACT:** Flush thoroughly with a large volume of water. If irritation persists seek medical attention.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk, or street, back onto your lawn/garden.
